

include/TypeTraits.hpp

```
graph TD; A[include/TypeTraits.hpp] --> B[Eigen/Dense]; A --> C[functional];
```

The diagram illustrates a header file dependency. A central box at the top, labeled 'include/TypeTraits.hpp', has two blue arrows pointing downwards to two separate boxes below it. The left box is labeled 'Eigen/Dense' and the right box is labeled 'functional'. This indicates that the 'include/TypeTraits.hpp' file includes both 'Eigen/Dense' and 'functional'.

Eigen/Dense

functional
